## Independence in the Palm of your Hand

For a powerful and affordable digital magnifier that is simple to use — look no further than Max. Use this lightweight, hand-held portable device on any straight or curved surface to magnify images and text. Connects quickly to a portable 13.3" battery operated monitor or to any TV and is ideal for use at work, school or even on vacation.

### MAX Features:

- Affordably priced
- Lightweight, convenient and easy to use
- 16 to 28x adjustable magnification (20" monitor)
- Options include: MaxTrak and Max Writing Stand
- 4 viewing modes to optimize contrast and brightness
- Magnifies print or images on any surface – curved or flat
- Computer compatible (additional hardware required)
- Combine Max with a portable 13.3" battery operated monitor or connect to any TV

“My Max is connected on the kitchen counter and I use it for viewing medicine bottles, recipe cards and bills.”

—Rosanna Clark,  
college student
