Merlin ultra's Full HD camera technology produces an even truer, more natural image, resulting in the brightest white and deepest black.

Easily read books and magazines, read and write letters, manage your financial records, view color photos, do crossword puzzles, and even pursue a favorite hobby.

See for yourself what makes Merlin ultra the greatest value and the absolute best picture quality available in HD desktop video magnification.

Designed and Assembled in the USA

Plug in the HD Pack to add line markers, windowing/masking and focus lock to any Merlin ultra model. (Sold Separately)

“My Merlin ultra lets me view photos of my grandchildren. The colors are bright and I can see all the details!”
– Bob Anker
